

BS"D

Rofim International Bikur Cholim is here to help you.

Have you, or someone you know, experienced a serious adverse event after receiving the Covid-19 injection? If so, you are not alone!

Previously, it was impossible to sue the pharmaceutical companies for Covid-19 vaccine related injury and death, because they were covered with blanket immunity. **HOWEVER, NOW THAT PFIZER DATA HAS BEEN OBTAINED AND THE IMMENSE FRAUD IN THE VACCINE TRIALS HAS BEEN PROVEN, THE IMMUNITY OF THE MANUFACTURERS WILL NO LONGER APPLY.** Hence, the door is now open to sue the responsible parties for injuries and death as a result of Covid-19 vaccination under false pretenses of safety and efficacy.

PLEASE
SPEAK
UP!

**WE ARE PUTTING TOGETHER A CLASS ACTION LAWSUIT.
IF YOU OR SOMEONE YOU KNOW HAS BEEN HARMED**

email us at covshotadverseevents@gmail.com with your story and contact information and we will reach out to you.

ADVERSE EVENTS ALREADY REPORTED AFTER COVID-19 VACCINATION INCLUDE:

Seizures • Stroke • Paralysis • Sudden Death in Healthy Person • Tremors • Heart Attack Including Teenagers • Myocarditis • Aneurysm • Lowered Immunity • Debilitating Exhaustion • Blindness • Deafness • Depression • Psychosis • Severe and Life Threatening Digestive Problems • Bells Palsy • Brain Fog • Still Birth • Birth Defects • Disabling Pain • Cancer • Cycle Problems or Cessation of Cycles • Blood Clots With Some Cases Leading to Loss of Limbs • Pleural Effusion • Pericarditis
