

BS”D

As we all know, we are facing unprecedented threats to our children’s chinuch, as our enemies seek to uproot Yiddishkeit from our communities. This is not the only means that they seek to attack us, and it all stems from the same source.

Please see and share this very important event, by which, Be’ezras Hashem, we hope to open eyes to the spiritual AND physical dangers threatening our communities from many sides, and what we can BEZ”H do about them.

WHO IS THREATENING THE SPIRITUAL AND PHYSICAL SAFETY OF OUR CHILDREN AND COMMUNITIES AND WHAT CAN WE DO?

Find out and protect yourself and your family.
