

Dr. John Campbell put out a video with 629K views (as of Sept 18, 23) in which he outlines a legal case against the big pharma, the CDC and the FDA for its approval of the vaccine. He demonstrates where US government and big pharma violated 10 laws of the ratified Nuremberg Codes. This video has been watched by over a half million people around the world and most medical and government leaders around the world. His following is almost 3 million.
